A PIONEERING STUDY HAS SHOWN FOR THE FIRST TIME THAT THE BRAINS OF MEN AND WOMEN ARE WIRED UP DIFFERENTLY WHICH COULD EXPLAIN SOME OF THE STEREOTYPICAL DIFFERENCES IN MALE AND FEMALE BEHAVIOUR, SCIENTISTS HAVE SAID.

"These maps show us a stark difference - and complementarity - in the architecture of the human brain that helps to provide a potential neural basis as to why men excel at certain tasks, and women at others," said Ragini Verma, professor of radiology at the University of Pennsylvania in Philadelphia.

"What we've identified is that, when looked at in groups, there are connections in the brain that are hardwired differently in men and women.

University of Pennsylvania

"In women most of the connections go between left and right across the two hemispheres while in men most of the connections go between the front and the back of the brain," she said.

Because the female connections link the left hemisphere, which is associated with logical thinking, with the right, which is linked with intuition, this could help to explain why women tend to do better than men at intuitive tasks, she added.

"Intuition is thinking without thinking. It's what people call gut feelings. Women tend to be better than men at these kinds of skill which are linked with being good mothers," Professor Verma said.

The male and female brain

A new way of showing the connectivity of the brain – called “connectome” maps – reveals significant differences between men and women

Typical male brain (top view)

Most connections run between the front and back parts of the same brain hemisphere, which could account for the better spatial skills and motor (muscle) control in men

Typical female brain (top view)

Many more neural connections go from side to side across the left and right hemispheres of the brain. Scientists say this could account for women's better verbal skills and intuitive abilities

Many previous psychological studies have revealed significant differences between the sexes in the ability to perform various cognitive tests.

Men tend to outperform women involving spatial tasks and motor skills - such as map reading - while women tend to be better in memory tests, such as remembering words and faces, and social cognition tests, which try to measure empathy and “emotional intelligence”.

It's quite striking how complementary the brains of women and men really are,” said Rubin Gur of Pennsylvania University, a co-author of the study.

Thy Maker is thine husband

For thy Maker is thine husband;
Yahweh of hosts is his name; and thy
Redeemer the Holy One of Israel; The
God of the whole earth shall he be
called. **Isaiah 54:5**

And as the bridegroom rejoiceth over
the bride, so shall thy God rejoice
over thee. **Isaiah 62:5**

Thy Maker is thine husband

And I will betroth thee unto me for ever; yea, I
will betroth thee unto me in righteousness,
and in judgment, and in lovingkindness, and in
mercies. I will even betroth thee unto me in
faithfulness: and thou shalt know Yahweh.
Hos 2:19-20

Now when I passed by thee, and looked upon
thee, behold, thy time was the time of love;
and I spread my skirt over thee, and covered
thy nakedness: yea, I swore unto thee, and
entered into a covenant with thee, saith the
Lord Yahweh, and thou becamest mine.
Ezekiel 16:8

Thy Maker is thine husband

Turn, O backsliding children, saith Yahweh; for I am married unto you: and I will take you one of a city, and two of a family, and I will bring you to Zion: **Jer 3:14**

And of Zion it shall be said, This and that man was born in her: and the highest himself shall establish her. **Psalms 87:5**

Of Christ

Thy Maker is thine husband

For I am jealous over you with godly jealousy: for I have espoused you to one husband, that I may present you as a chaste virgin to Christ. **2 Cor 11:2**

Husbands, love your wives, even as Christ also loved the ecclesia, and gave himself for it; That he might sanctify and cleanse it with the washing of water by the word, That he might present it to himself a glorious ecclesia,

This is a great mystery: but I speak concerning Christ and the ecclesia. **Ephesians 5:25-32**
