“...AFTER OUR LIKENESS...”

“While image, then, hath reference to form and shape, “likeness” hath regard to **mental constitution, or capacity**. From the shape of his head, as compared with other creatures, it is evident that man has a **mental capacity** that distinguishes him above them all. Their likeness to him is faint. They can think; but their thoughts are only sensual. They have no moral sentiments, or higher intellectual aspirations... Adam’s **mental capacity** enabled him to comprehend and receive spiritual ideas, which moved him to veneration, hope, conscientiousness etc...”

“...I KNOW YOUR MINDS...”

“For I know the things that come into your **mind**, every one of them ” **Ezekiel 11v5**

“The sacrifice of the wicked is abomination: how much more, when he bringeth it with a wicked **mind**?.” **Proverbs 21v27**

“It shall also come to pass, that at the same time shall things come into thy **mind**, and thou shalt think an evil thought: And thou shalt say, I will go up to the land of unwallled villages;... ” **Ezekiel 38v10-11**

“...A SPIRITUAL HUNGER...”

“We yearn for communion with something higher than ourselves... We have ideals that make our attainments seem contemptible and sometimes even disgusting. How strange it would be if creatures that evolved themselves “out of shapeless slime” should, along with a need for the food that had nourished them, develop a spiritual hunger for something that never existed and never could exist. How strange if they should of their own bestial instincts evolve ideals that make them miserable because the animal desires continually prevent attainment! ”

Bro Islip Collyer The Guiding Light Pg 13-14

“...I KNOW THE THOUGHTS...”

KJV —“For I know the thoughts that I think toward you, saith the LORD, **thoughts of peace**, and not of evil, to give you an expected end.”

ESV — “For I know the plans that I have for you saith the LORD, **plans for welfare**, and not calamity, to give you a future and a hope.”

Jeremiah 29v11
