“I had the sacred incense of the Hebrews prepared in the laboratory of Prof. Mettenheimer Giessen; I tested it, and found its odor strong, refreshing, and very agreeable.”

12 “We will not come up.

13 Is it a small thing that you have brought us up out of a
land flowing with milk and honey,

to kill us in the wilderness

that you must also make yourself a prince over us?

14 Moreover, you have not brought us into a land flowing
with milk and honey,

nor given us inheritance of fields and vineyards.

Will you put out the eyes of these men?

We will not come up.”
