

Using the power of our imagination... for good

Assignment: Read through Isaiah 6:1-7 and draw a picture of the scene being portrayed

You will have 10 minutes to complete your picture, so:

- 1) Take your time, don't try to rush to finish
- 2) While your picture won't be handed in, it will be shared with someone else nearby, so do your best
- 3) Identify the details provided in the text and try to incorporate these into your drawing
- 4) If you finish early, turn to Rev 15 and draw a picture of the scene being portrayed in vv5-8

Step 1: Bible's description + our imagination = Our Vision

Step 2: To our vision is added our faith (belief the Kingdom is coming); Vision + Faith = Our Reality

Step 3: Our Reality the becomes a power in our life for good, for righteousness because we want to be part of that future
