

The Law of Moses – Brother John Martin

These talks were given in the late 1960s and the early 1970s by brother John Martin at the Enfield Ecclesia. The studies have been digitized from the original reel-to-reel tapes, with most recordings being of usable quality, however due to the age of the tapes there may be some variability in quality with a couple of talks cut short (see times listed below).

Title	Reading	Year	Length
