

Your 5 Most Hopeful Verses in Scripture

Instructions: In the first three spaces below, write out verses that you consider to be among the most hopeful and helpful in the whole of Scripture. Next, fill in the context. Leave #4 & #5 blank so when you share your ideas, you can add to your list.

Example:

Hebrews 13:6 "The Lord IS my helper (with me); I will not be afraid. What can man do to me?"

Context: At the end of Paul's detailed explanation to the Jews that Jesus IS the Christ, he ends the book of Hebrews with some simple exhortations. Very practical stuff. He says, "Be content with what you have." Why? "Because God has said, "I will never leave you or forsake you."

This is a direct quote from Deut. 31:6 where Moses is passing away and he's encouraging the people to go and take the land. He says, "Be strong and courageous. Do not be afraid or terrified because of them [the inhabitants of the land], for the LORD your GOD goes with you; He will *never* leave you or forsake you.

And then he quotes Psalm 118:6 *as the faithful response*... "The LORD IS with me! I will not be afraid. What can man do to me?"
